

FACTS

WHAT DOES RAPID FINANCIAL SOLUTIONS DO WITH YOUR PERSONAL INFORMATION?

Why?

Financial companies choose how they share your personal information. Federal law gives consumers the right to limit some but not all sharing. Federal law also requires us to tell you how we collect, share, and protect your personal information. Please read this notice carefully to understand what we do.

What?

The types of personal information we collect and share depend on the product or service you have with us. This information can include:

- Social Security number and account
- balances transaction history and payment
- history account transactions and overdraft history

When you are no longer our customer, we continue to share your information as described in this notice.

How?

All financial companies need to share customers' personal information to run their everyday business. In the section below, we list the reasons financial companies can share their customers' personal information; the reasons Rapid Financial Solutions chooses to share; and whether you can limit this sharing.

What we do

How does Rapid Financial Solutions protect my personal information?

To protect your personal information from unauthorized access and use, we use security measures that comply with federal law. These measures include computer safeguards and secured files and buildings.

We collect your personal information, for example, when

- you open an account or apply for a loan send a wire or
- pay us by check
- pay your bills or make deposits or withdrawals from your account

We also collect your personal information from others, such as credit bureaus, affiliates, or other companies.

Why can't I limit all Sharing?

Federal law gives you the right to limit only

- sharing for affiliates' everyday business purposes—information about your creditworthiness
- affiliates from using your information to market to you
- sharing for nonaffiliates to market to you

State laws and individual companies may give you additional rights to limit sharing.
